The Cub Cadet LT2 NS96 Garden Tractor is a 96cm/38", twin bladed side discharge tractor, with a 420cc Cub Cadet engine. Easy to use with a step through chassis design, it is incredibly easy and safe when mounting and dismounting. Side discharge garden tractors are ideal for gardeners that have a variety of grass conditions to contend with or require a higher work rate than a collecting garden tractor. Used as a side discharge it can handle anything up to small paddocks but is also capable (especially when fitted with the mulch plug) of leaving a very tidy finish on a good lawn. The mulch kit is available as standard and an optional grass catcher is available for use with the optional high lift blades for wet grass conditions.

**Cutting Width:** 96cm / 38"  
**Cutting Height Range:** 30-95cm
