The Cub Cadet RZT S 50 Zero-Turn Riding Mower features a steering wheel instead of lap bars, so it's easier to use. The 50 in. deck can tackle large yards with tough terrain. The RZT S 50 zero-turning mower is equipped with a dedicated dual hydrostatic rear-wheel transmission to deliver effortless control at your own pace. Even while mowing at different speeds, the dual hydrostatic transmission provides true zero-turn performance all while protecting your lawn from turf damage and providing unparalleled stability. For added comfort, the simplicity of gas and brake pedals matches the arrangement of a car's control and movement. To go forward, press the gas pedal. And to go in reverse, simply push the reverse pedal that sits right next to the gas. And with Synchro Steer Technology, the steering wheel controls both the front wheels and the independently controlled back wheels for greater maneuverability around obstacles, tracking and stability on tough terrain and slight to moderate hills.

- 726 cc Kawasaki OHV V Twin engine for reliable starting and exceptionally smooth .
- 50 in. triple-blade cutting deck is rust resistant with triple guard e-Coat protection, and is designed for a superior cut and bagging performance while providing commercial-grade durability
- Mulching capability helps extend the mower's functionality required (mulching blade sold separately)
- Cub Cadet Signature Cut smooth arc blades, cut overlap and deep dome deck provide flawless results
- Electronic fingertip blade engagement PTO allows for smooth operation of the deck or attachments
- 8-cutting positions let you select cutting heights ranging from 1.5 in. to 4 in.
- Dual Hydro-Gear EZT-2200 Transmission provides dual hydrostatic rear-wheel transmission for quick effortless zero-turn control that quickly leaves your lawn with a professional-quality finish
- Travels at speeds up to 7 mph forward and 3 mph in reverse for efficient mowing
- Steel frame with e-Coat provides durability and automotive-grade corrosion resistance for long-lasting use
- Includes a cup holder and utility bin for your convenience
- SmartJet deck wash system provides high pressure water that cleans out grass & debris build-up under the deck
