

# ELECTRIC TRIMMER ET1000, 230 V / 1000 W

## FOR A PERFECT FINISH

Choose your model from our range of trimmers and brushcutters with electric motor. All trimmers are equipped with bump head technology. Simply bump the center knob on the ground to re-adjust the trimmer line length. The ergonomical handle and grip design provide a stress less handling and all models are equipped with sufficient power, perfectly matched with the line diameter and working width. Models with Trimmer Plus ability can optionally be converted to a hedge trimmer, a blower or a pole saw.

**TRIMMERPLUS  
OPTION TO  
TRANSFORM  
YOUR TRIMMER  
INTO A HEDGE  
SHEAR, POLE  
SAW OR A  
CULTIVATOR**
