ZERO-TURN RIDE-ON LAWNMOWER****Retail/Nett Price:****R256,500****INCL. VAT***Please note this price is only valid from Head Office, contact Branches for price with courier cost in your area.***True Commercial-Grade.
Incredible Value.**

This impressive zero-turn rider is designed with the needs of lawn care pros in mind. Delivering commercial-grade results at an incredible value, the Patriot will exceed your expectations and have your "competition" talking. The Patriot is equipped with a productive 52" or 61" cutter deck to leave behind a beautiful quality-of-cut. Its strong hydro drive system brings the power and keeps you moving at ground speeds of up to 10 mph (SPZ61), while large front caster tires and extra-large drive tires provide dependable traction, stability and a smooth ride.

A new ultra-plush bolstered seat, large diameter steering handles, and rubber iso-mounted foot plate give the operator a comfortable ride. The Hydro-Gear ZT-3400 (61") or ZT-3100 (52") hydro transaxles deliver smooth drive power and have spin-on oil filters for easy maintenance. Two independent hydraulic transaxle units with charge pumps and all metal gears. A dual purpose foot pedal brake is standard equipment and makes parking easier than ever before.

The Patriot 52" and 61" will handle your toughest commercial jobs and large estate properties with ease and comfort. All of that and it leaves behind a beautiful quality-of-cut your competition and neighbours will be jealous of. We invite you to learn more about the outstanding features of the Patriot and how it can save you time while delivering professional results.

PRODUCT IMAGES:**CONTOURED, BOLSTERED
MID-BACK SEAT**

Ultra-comfortable and adjustable. Contoured for improved comfort and features armrests.

**POWERFUL ENGINE OPTIONS**

Powerful 22hp or 23hp Kawasaki FX Series engines available with heavy-duty canister air cleaner system.

**DEEP, FABRICATED AND
WELDED CUTTER DECKS**

Heavy-duty design and construction. Deep design handles lots of grass at higher speeds. Excellent quality-of-cut.

**FOOT PEDAL PARKING
BRAKE**

Allows the parking brake to be engaged without taking your hands off of the steering controls.

**EXTRA LARGE DRIVE TIRES**

23" drive tires on 61" models, 22" drive tires on 52" models. Superior traction and smooth ride.

**POWERFUL PTO CLUTCH BRAKE**

Ogura GT 2 PTO clutch brake offers excellent starting and stopping power for the cutter deck. Adjustable air-gap for long life.

**ALL STEEL, EXTRA-WIDE, RUBBER ISO-MOUNTED
FOOT PLATE.**

Heavy-duty construction. Rubber iso-mounts absorb vibrations. Extruded holes for traction and to allow debris to fall away. Wide platform for easy on and off.

**FULL-FEATURED INSTRUMENT
PANEL**

Instrument panel features: Ignition switch, PTO switch, throttle control, choke control, hour meter.

**EASY CUTTER DECK LEVELING**

In the event the deck becomes uneven, it's an easy fix with four-point deck leveling.

SPECIFICATIONS:

- Match a 52" or 61" cutter deck with a [Kawasaki FX Series](#) V-Twin engine with canister air filter is the exclusive engine of the Scag Patriot.
- 10 MPH (SPZ61) or 8.5 MPH (SPZ52) forward and 5 MPH in reverse ground speeds for more productivity.
- 52" or 61" fully fabricated cutter decks are tough and deliver the beautiful cut that Scag mowers are known for.
- Dual Hydro-Gear ZT-3400 (61") or ZT-3100 (52") hydro transaxles with all metal gears and spin-on oil filters. The ZT drive systems deliver smooth and solid power to the drive wheels. Large cooling fans keep temperatures low and extend component life.
- 6.5 gallon fuel capacity (single tank) lets you cut longer between fill-ups. Built-in fuel gauge.
- Heavy-duty, aluminum, sealed ball bearing blade drive spindles provide reliable performance season after season.
- Tubular steel main frame delivers unmatched strength and longevity.
- Open, easily accessible engine compartment makes maintenance easy and provides ample cooling for the V-twin engine. Engine oil drain and air filter are within easy reach.
- Extra-large drive tires (22" on SPZ52; 23" on SPZ61) and front caster tires (13 x 5 - 6 on SPZ52; 13 x 6.5 on SPZ61) ensure better traction, less turf tearing and easy curb climbing.
- Full-featured instrument panel features ignition switch, throttle control, choke control, PTO deck engagement switch and a digital hour meter with built-in maintenance reminders. Hour meter only activates when the engine is running to accurately record engine time.
- The [Ogura PTO Clutch Brake](#) delivers reliable blade start and stops. Adjustable air gap ensures long component life and reduced maintenance costs. Other clutches do not have adjustable air-gaps and once they are out of adjustment, they must be replaced.
- Custom, bolstered seat adds another level of comfort to the 52" & 61" Scag Patriot. Fold-up arm rests are standard.
- Foot operated brake with park lock feature allows the operator to apply the brake without taking their hands off the steering levers. A simple lock lever can be engaged with the foot pedal depressed to keep the brake on.
- AUSCO disc brakes feature a rotor and caliper style design for maximum holding power.
- Large diameter, padded steering levers make driving the Patriot a breeze. Total control, at your fingertips.
- Marbain steel cutter blades stay sharp longer for a better looking cut and reduced maintenance.
- Easily adjust cutting heights from the seat with the convenient, easy to lift, foot pedal. Wide range of adjustment from 1-1/2" to 5" in 1/4" increments.
- Dual steering dampers for smooth, precise responsiveness.
- Cup holder keeps beverage within easy reach and is standard equipment.
- Deck leveling adjustment brackets allow for easy deck leveling adjustment.
- Highly flexible discharge chute will not dent and is easy on the landscape.
- No plastic pulleys - Some [other brands] actually use plastic pulleys on their mowers. Not Scag. All Scag pulleys are made from metal. Plastic is for toys.
- High-quality bearings and bearing debris guard on idler pulleys ensure long, reliable service.
- Spring loaded idler arms effortlessly keep belts in constant adjustment for maximum life and minimum maintenance.
- Excellent stability due to an exceptionally low center-of-gravity and extra wide stance.
- High quality electrical components such as switches, wiring and harness looms are used throughout the Scag mower line for trouble-free service.
- There are many, time saving, [accessories for the Patriot](#) like the Tiger Striper lawn striping kit, 2-bag fabric grass catchers, halogen light kits and more.
- Actual ground speed may vary. Specifications subject to change without notice or obligation.

Model	Description
SPZ52-22FX	52" Cutter Deck, 22hp Kawasaki FX691 air-cooled engine
